

## Passport Activity

**Objective:** Get to know the countries and opportunities to travel abroad through 4-H.

**Group Size:** Any

**Time:** 30 minutes plus prep time

**Supplies Needed:** Passport, Country Flags, Country Seals, or Country Stickers, World Map, Passport Activity Information (*available from the UWEX Office*), adult helpers, tape, zip-lock bags, crayons or colored markers.

### Directions:

1. Before the meeting, make a copy of the passport, one for each child participating and put them together.
2. Decide if you want to use the Country flags, Country seals or Country stickers and make one copy for each child participating. Cut apart and put into individual zip-lock bags.
3. Make a copy of the World Map. One for each station with countries colored in and one for each child participating for them to color in.
4. Set up 10 different stations in your meeting room. One for each country.
5. Have one adult at each station talking about that given country (see attached information).
6. Hand out one passport, one zip-lock bag of country items, and one world map to each child.
7. Instruct them to move from table to table to learn about the different countries they could have the opportunity to travel to through 4-H.
8. When child completes the station, stamp their passport with the corresponding countries flag, seal or sticker. Attach it with tape.
9. Have Fun!
