RE-ENROLL

- At the bottom of the next screen, click on the button for **Enroll for 2018-2019**.
- If the youth is over 17 years old, a box will appear asking if you wish to enroll as a youth or an adult. If the youth is graduating from 4-H and wants to continue as an adult leader, then choose **Enroll As Adult**, otherwise select **Enroll as Youth**.
- You will now see the Personal Information that you entered when you first enrolled. Look over the information and make any corrections. If the youth was in 12th grade last year, you must select the grade for this year, either **Post High School Education** or **Not in School**. When you are done, click on **Continue**.
- Next is the Additional Information screen when you will need to accept the agreements, code of conduct, and answer the photo release and accommodations questions. Click **Continue** when done.
- The Health Form for members is optional at enrollment, but you will need to complete it in the future if you attend any events that require the Health Form information. Click **Continue** when done.

ADULT VOLUNTEER LEADERS

- On the Participation -> Club screen, confirm the correct club is listed. If you serve in a volunteer role (but not as a project leader) click on **Edit** and select the volunteer type. Click on **Update** to save the change. Click on **Continue** when done.
- On the Participation -> Projects screen, confirm all the projects you are enrolled in are listed. Add any missing projects.
