

HCE CREED

We, the homemakers of Wisconsin,
believe in the sanctity of the HOME,
the cradle of character,
blessed by motherly devotion
and guarded by fatherly protection.

We pledge ourselves:

- To work for the preservation and improvement of home and community life;
 - To strive for healthier minds and bodies and better living;
- To promote the welfare of our boys and girls, the nation's greatest asset;
- To be true to God and country and of lasting service to our homes and communities.

Mrs. John Meise, Sauk County

HCE PRAYER

Dear God, give us the grace to see
The blessings which have come from Thee;
Give us the strength to do our duty,
To see in everything some beauty,
Teach us that love and cheerful giving,
Tolerance and decent living,
Make of our home a place sublime,
Where there's no room for hate or crime,
A place where good friends gather round;
Where laughter, mirth and cheer abound,
Not selfish thoughts nor worldly greed,
Let this, Dear Master, be our Creed.

Mrs. James M. Hutton, St. Croix County

WAHCE PROGRAMS

Pennies for Friendship

Individuals worldwide take an active part in the work of the Associated Country Women of the World by contributing coins or currency to Pennies for Friendship. Pennies for Friendship are the main source of ACWW’s income.

WAHCE collects Pennies for Friendship and sends seventy-five percent of the undesignated donations to ACWW. The remaining twenty-five percent and all designated donations are distributed to international areas of need. Learning Centers supported by Wisconsin/Nicaragua Partners of the Americas, Ventures in People – Haiti, and Heifer International, Inc. are three international project areas that have received monetary support from WAHCE in recent years.

WAHCE has established a Water Fund to provide funding for wells in Africa and for Sawyer water filters. An ongoing project is the collection of sewing, baking and school supplies for shipment to Learning Centers in Nicaragua.

Wisconsin Bookworms

WAHCE partners with UW-Extension and Wisconsin Public Television to provide books for 3 to 5 year old children in head start, preschool and kindergarten classes. By giving children in low-income families books of their own, this reading program hopes to instill a love of reading in these children.

An Early Reader Literacy Committee has been established by the WAHCE Board. This committee is working to procure and allocate supportive funds to HCE counties that are involved with an early childhood literacy program.

Services of Love, Stitches of Love

These community service programs were established by WAHCE to give county HCE organizations the opportunity to implement programs to provide volunteer services or handcrafted items to organizations and people within the community – the local, county, state, national or international community.

Cultural Arts Contest

This contest, which is held at the annual WAHCE Conference, encourages self-expression through many forms of creative and visual arts, and promotes the practice and perfecting of heritage skills. After judging, all entries are put on display for conference attendees to view.

All entries in the state contest must first be judged at the county level. Only the best handcrafted items (sewing, knitting, crocheting, hand-stitching, quilting, etc.), photographs, paintings and written works will advance to the state contest.

DODGE COUNTY HCE CLUBS

- Each club elects a president, vice president, secretary, and treasurer. Other assignments may be made by the club to fit its needs.
- Each club sets a regular meeting schedule – monthly, bi-monthly, etc.
- Each club chooses educational projects based on members’ interests.
- Each club is encouraged to invite the Center Coordinator to at least one club meeting during the year.
