

Frequently Asked Questions

What is 4-H?

4-H is an educational youth development program conducted by UW-Extension. Each 4-H club elects its own youth leaders and works with adult volunteers to coordinate meetings and other events. Each 4-H club is unique and operates a little differently so find the one that is the right fit for you.

Who can join 4-H?

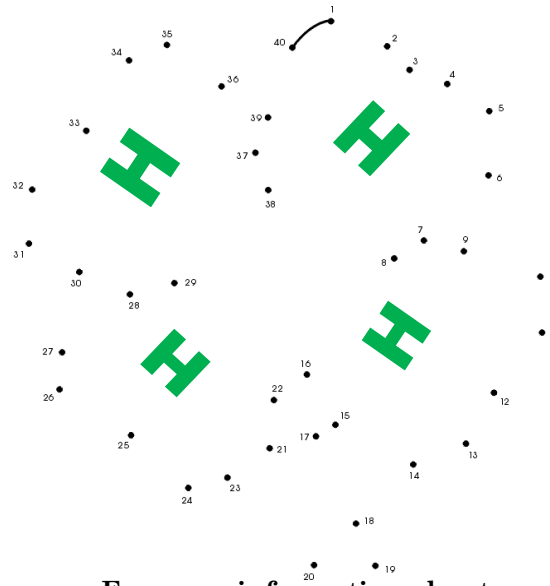

Any youth in 5yr kindergarten through one year beyond high school graduation (grade 13) is eligible to join a 4-H club. 4-H is open to everyone regardless of race, color, sex, national origin, or handicap. Love it so much you can't leave when you grow up? Join as an adult leader and help give the next generation of youth a great experience.

Is 4-H just for farm kids?

4-H is open to ALL youth in both rural and urban areas. Although many popular 4-H projects involve dairy and livestock showing, there are a variety of other options like Music, Photography, Flowers, Drawing and Painting, and so much more! There is something for everyone!

Connect the dots to discover the 4-H logo!!!!
