

The Kuhlman Family Dairy Promotion Scholarship

The Kuhlman Family was one of the founding families of the Dodge County Dairy Promotion Committee, starting with Roy and Thirza Kuhlman in the 1970's. Their daughter Sandy was also an active member of the committee for many years. This scholarship is to honor the family for their work and dedication to dairy promotion in Dodge County. The goal of the Dodge County Dairy Promotion Committee is to help educate the public about the dairy industry through our annual Dairy Brunch on a Dodge County Dairy farm and through other activities in the community. Two scholarships will be awarded in the amount of \$750. Scholarships will be paid out to recipients following the completion of the Fall of 2023 semester, upon proof of enrollment for Spring semester and successful completion of the fall semester. The winners of the scholarships will be announced at the 2023 Dodge County Dairy Brunch. The recipients will be expected to help for one shift at the 2023 Dodge County Dairy Brunch, which will be June 4th, 2023. Previous scholarship winners are not eligible to receive a second scholarship from the Dodge County Dairy Promotion Committee.
