Dear Fair Council,

We are very excited to give back to the community and to the local fairs especially. We have a program at Otto's Meats, called the Otto's Fair Promise. This program is available for all the participants at the local fair, family and friends. We can help set up trucking to and from Otto's Meats for free. We will be donating 50% of the butchering fee back to the fairs. This donation can be used for scholarships, FFA/4H donation, fair improvements, etc. Thank you from all of us at Otto's Meats for your continued dedication to the Ag industry.

Sincerely,

Otto's Meats

Daniel Ratajczak, Andrew Ratajczak, Scott Ratajczak, Michael March & Nicholas March
