

MEAT ANIMAL SALE

Dear Dodge County and Surrounding Area Businesses,

You're invited to the Dodge County Junior Fair Meat Animal Sale! Each exhibitor, in order to sell, must participate in a number of educational activities, raise, and show an animal of top quality. The sale order is determined by a combination of live placing as determined by the judge, and the animal's ability to produce a desirable carcass over the feeding period.

All animals purchased will be identified with a buyer's recognition card until the end of the fair on Sunday evening. Each buyer will be listed for local media among the Honor Roll of Sale Supporters. Thank you in advance for your support of our sale - it is most appreciated!
