DODGE COUNTY 4-H DAIRY PROMOTION CONTEST

Our objective is to educate adults/children about the nutritional value of dairy products and to give the community facts about dairy farming and related dairy industries. The goal of these programs has been to increase sales of dairy products and to enhance the image of area farmers and related dairy industries.

Every 4-H Club in Dodge County is invited to participate in the Dodge County Dairy Promotion Contest. Any club can participate, regardless if they have or do not have a dairy leader or group. You are to report on only **ONE** dairy promotion activity that your club has participated in. You may do more than one dairy promotion activity for your club, but please submit only **ONE** activity to be judged. Complete the enclosed report for a chance to win funds for your club.

In the past, it was required for both the dairy promotion funding and the dairy promotion contest to attend the Family Learning Day session and help at our Dairy Brunch. **For the Dairy Promotion Contest only**, these requirements will be dropped BUT you will score extra points if you have done either of the past requirements. This requirement will still be in effect when requesting Dairy Promotion Funding.

The completed Dairy Promotion Report will be due at the Extension office by the September 4-H Leaders Meeting. We have also provided you with a copy of the scoring sheet that will be used to evaluate your reports. Any reports that are incomplete can be disqualified at the discretion of the Dairy Promotion Committee. The Dairy Promotion forms can be downloaded on the Extension website.

The awards for the top reports are as follows:

1st Place \$75
2nd Place \$50
Most Innovative Idea \$25

Any club can win the 1st or 2nd placings *AND* the Most Innovative Activity award
